

Third Owl Consulting Ltd

Putting strategy into action

COMMON ISSUES AND CHALLENGES

- Are you able to implement change effectively within your organisation?
- How do you ensure that your projects and programmes are aligned with your strategic intent?
- What confidence do you have that your projects and programmes are delivering what is expected and needed by the business?
- What are you doing to give your projects and programmes the best chance of a successful outcome?
- How do you deal with projects and programmes that are complex or facing difficulties?

THE BENEFITS OF WORKING WITH THIRD OWL CONSULTING

- Extensive cross sector, cross functional and cross regional experience of project, programme and portfolio management
- A proven track record in delivering large and complex change programmes
- Expertise in coaching and developing organisations in the effective implementation of pragmatic, fit for purpose, project management methods
- Ability to work with Executive and C level teams to translate strategy into action

HOW DO WE MAKE IT WORK

- Conduct an initial 2-3 day review to understand your needs, challenges and opportunities
- Create and discuss an outline report summarising findings and recommendations.
- Provide hands on support for the implementation of changes and delivery of objectives
- Transfer knowledge to improve the capability of your organisation for the future
